

# LEADBELLY'S

BAR & KITCHEN

We are now a **BOOKING ONLY VENUE** and will provide table service for all customers. Please note **no orders will be taken at the bar**.

We have strict guidelines set by the Government, which we need to follow in order to open to the general public. Please read our terms carefully to help us stay safe and compliant.

- Due to Government legislation we require all tables to provide contact names and details of ALL guests in your party. Please provide your own contact details on the booking system and add the names of those joining you in the 'special requests' box when reserving a table.
- Tables are limited to a maximum of 6 people and cannot be joined to another table.
- Tables are booked for 2 HOURS to ensure the safety of our staff and yourselves.
- All customers must maintain social distancing measures to a minimum of 1 metre and stay within your own group.
- Tables are booked in the bar area with an overspill area into the back restaurant as we become busier.
- We are not taking bookings on our outside terrace due to the unpredictable nature of the British weather. We recommend booking an inside table and requesting an outside seat when you arrive. Please note that if the weather takes a turn we may not be able to find you an inside table.
- Booking times are from Monday to Saturday 10am-8pm, and Sunday 10am-7pm. The kitchen will be open from 10am until 9pm every day, closing an hour earlier on Sunday's.
- All guests must use the hand sanitiser stations provided upon entry to the bar and after using the toilet facilities, located in the corridor.
- Under 18's must be accompanied by an adult at all times and remain seated at their table. Children are only permitted up to 8pm.

- Dogs are permitted but must be on their leads at all times and are not allowed on the furniture.
- Please do not arrive too early for your reservation as we have limited space and are discouraging big gatherings - 5 minutes before your booking is an appropriate time.
- Please do not arrive late to your booking, as this will give you less time at your table.
- If you are 15 minutes late or more we will need to give away tables to waiting customers.
